

Are you curious about how CHOICE tests hundreds of products every year?

Then why not come along to one of our Lab Tours.

Enjoy morning tea with CHOICE CEO, Nick Stace, before taking a guided tour through our 11 labs. View the testing labs in action and chat with some of our testers.

Lab Tours Format

CHOICE Lab Tours commence at 10.30am with morning tea, a brief presentation about our past and present projects, plus an opportunity for you to ask us some questions.

At 11.00am the Lab Tour will commence. The tour will run for approximately 1 hour and 30 minutes, concluding at 12.30pm.

Before you leave, don't forget to take your CHOICE Bag.
